TITLEIST® PREMIUM PERFORMANCE LINE

Titleist® Pro V1® golf balls deliver total performance and feature longer distance, very low long game spin, penetrating flight, Drop-and-Stop™ greenside control and very soft feel.

White golf balls are available with play numbers 1-4, 5-8, and all the same play number 00 or 1-99. High optic yellow golf balls are available with play numbers 1-4.

Titleist® Pro V1x® golf balls deliver total performance and feature longer distance, high flight, low long game spin, Drop-and-Stop™ greenside control and soft feel.

White golf balls are available with play numbers 1-4, 5-8, and all the same play number 00 or 1-99. High optic yellow golf balls are available with play numbers 1-4.

Titleist® Pro V1x® Left Dash golf balls are designed for players seeking high flight similar to Pro V1x with lower full swing spin, producing long distance and firmer feel.

White golf balls are available with play numbers 1-4.

Titleist® AVX® golf balls are designed for golfers who prioritize total performance, with lower flight, lower spin, and incredibly soft feel.

White and high optic yellow golf balls are available with play numbers 1-4.

TITLEIST® PERFORMANCE LINE

Titleist® Tour Speed utilizes a Titleist Performance Urethane (TPU) cover to deliver precise spin in this three-piece golf ball design. The reformulated core and casing layer work with the TPU cover to deliver long distance, soft feel, and optimized short game spin.

White and high optic yellow golf balls are available with play numbers 1-4.

Titleist® Tour Soft golf balls are engineered for all-around performance. Designed with an efficient aerodynamic package, large core, and thin cover, Tour Soft delivers long distance, very soft feel, and responsive control.

White and high optic yellow golf balls are available with play numbers 1-4.

Titleist® Velocity™ golf balls are engineered for high speed, high launch, and low long game spin to help golfers hit it long.

White golf balls are available with play numbers 1-4.

Titleist® TruFeel™ is the softest Titleist golf ball, designed with a large, fast core for long distance.

White and high optic yellow golf balls are available with play numbers 1-4.

PINNACLE®

Pinnacle® Rush is designed to deliver extraordinary distance helping golfers of all abilities hit the ball farther with every club. The high energy core along with a soft cover and advanced 332 Icosahedral dimple design combine for a powerful, consistent ball flight for long distance with every club.

Available in white and yellow. Also available in 15 ball packs.

Pinnacle® Soft is designed to give golfers an incredibly soft feel and help them hit the ball long. The high energy, low compression core combined with a soft cover and advanced 332 Icosahedral dimple design create low spin for longer shots and a soft feel.

Available in white. Also available in 15 ball packs.

CUSTOM GOLF BALL GUIDELINES

KEY POINTS

- Supplying PMS (Pantone® Matching System) colours is preferred for accuracy.
- Artwork received without PMS colours will be set up to match supplied image.
- Long lines of text or text printed in light colours will not reproduce well. We suggest using dark colours and removing or stacking long text for best appearance.
- Printing capabilities are limited to 5 colours, however, we can manipulate artwork to generate multiple colours using half-tones, gradients and CMYK process inks.
- Logos/imprints on non-white golf balls are recommended in black ink.

FILE TYPES ACCEPTED
